Our commitment to quality goes far beyond the North American continent.

Trophies from around the world are entrusted to WMT incorporated.

*Our experienced artists recreate these beautiful creatures to
capture your memories forever.*

*WMT incorporated is one of the few facilities licensed by the USDA
as an Approved Establishment for processing restricted hides and skins
imported from outside the United States.*

From pan-sized Bream to the toothy monsters of the Canadian wilderness, WMT incorporated continues to lead the industry with award-winning re-creations of mounted trophy fish.
